- f. Please provide a brief description of the topic on which you will comment so that we can best organize the order of appearances:

III. Return completed form by:

Scan & Email: onecarevt@onecarevt.org -or-

Fax: 802-847-6214

Attention: Director, ACO Operations

IV. General Information:

- a. The first thirty (30) minutes of each meeting will be allocated to public comments. The amount of time allotted per individual will be dependent upon the number of individuals attending the meeting.

V. Code of Conduct:

- a. The OneCare Vermont Board of Managers request that public attendees do not bring children or pets (service animals are permitted).
- b. Generally acceptable rules of decorum for Board meetings will be followed. The Board Chair will advise each speaker of his/her allotted time and when it is ending.

Time limits must be honored so that all who have signed up will have the opportunity to address the Board.

- c. Speakers should be polite to others and refrain from using abusive or foul language. This process is to allow the public to offer comments and for the Board to consider those comments, as required by the Medicaid and Commercial Shared Savings Program Standards. There will likely not be time for dialogue with members of the Board or OneCare Management during the meeting; but there will be follow-up communication with each speaker.
